## How long will it take to become a Middle School or High School Teacher?

There are 2 different pathways at this time.

### TRADITIONAL PATHWAY

#### Rio Hondo College

- 2 years as a full-time student - however this may vary from student to student
- Work on general education, major, and transfer requirements (please connect with a counselor to create a student ed plan)
- Apply for Transfer! (please connect with a counselor to confirm your transfer date)
  - Fall Transfer: Apply 1 year before in the Fall
  - Spring Transfer: Apply the Summer before in July/August

#### Transfer to 4-Year University to obtain your Bachelor's Degree

- 2 years as a full-time student - however this may vary from student to student
- Apply for a teacher preparation program 1 year before your last semester

#### Attend and complete a Single Subject Teaching Credential Program

- Programs can be 1-2 years

### INTEGRATED PATHWAY

#### Rio Hondo College

- 2 years as a full-time student - however this may vary from student to student
- Work on general education, major, and transfer requirements (please connect with a counselor to create a student ed plan)
- Apply for Transfer! (please connect with a counselor to confirm your transfer date)
  - Fall Transfer: Apply 1 year before in the Fall
  - Spring Transfer: Apply the Summer before in July/August

#### Transfer to a 4-Year University to obtain your combined Bachelor's Degree + Credential through an Integrated Undergraduate Teacher Credentialing Program

- 2-3 years as a full-time student - however this may vary from student to student
- Once done with your program, you will graduate with BOTH your bachelor's degree & single subject credential

## What major should I choose if I want to become a Middle School or High School Teacher?

You can major in anything you want - no specific bachelor's degree is required. **However, it is STRONGLY RECOMMENDED that you choose a major aligned with the subject you wish to teach.**

For example, if you want to teach English, we suggest majoring in English. This will ensure you're thoroughly knowledgeable in the subject you're teaching. Additionally, getting a bachelor's degree in the major that matches the single subject credential can help you fulfill a credential requirement! ★

[CLICK HERE](#) to see all the degree programs we have to offer at Rio Hondo College.

## Meet with a Counselor !!

It is very important that you meet with a counselor so we can best assist you in major selection and transfer exploration for a Bachelor's Degree program and/or Integrated Undergraduate Teacher Credentialing Program.

**Education Counselors: Angelica Martinez, Irene Vu, & Emily Ramazzini**

## Single Subject Teaching Credential Information (Specific to California)

The Single Subject Teaching Credential authorizes the holder to teach in departmentalized classes on the subject named on the credential. Subjects available for single subject credentials:

- |                                      |                                       |  |
|--------------------------------------|---------------------------------------|--|
| • Agriculture                        | • Health Science                      | • Science: Chemistry                           |
| • Art                                | • Home Economics                      | • Science: Geosciences                         |
| • Business                           | • Industrial and Technology Education | • Science: Physics                             |
| • Dance                              | • Mathematics                         | • Social Science                               |
| • English                            | • Music                               | • Theater                                      |
| • Foundational-Level General Science | • Physical Education                  | • World Language: English Language Development |
| • Foundational-Level Mathematics     | • Science: Biological Sciences        | • World Languages-Languages other than English |

### Can I teach ESL (English Learners)?

- YES! As long as you go through an approved Single Subject Preliminary Teacher Preparation Program in California.

### CBEST

- As of June 2024, the Basic Skills Requirement for the Single Subject Credential will be met by completion of a bachelor's degree.

---

## Single Subject Teaching Credential Requirements (Specific to California)

1. **A bachelor's degree or higher degree from a regionally accredited college or university.**
2. **Verify Subject Matter Competency (This can be satisfied by any of the following per the Commission on Teacher Credentialing (CTC)):**
  - a. Completion of a [bachelor's degree in a major](#) that matches the credential, including "Applied" majors or those with additional modifiers.
    - i. Applied Majors Examples: Applied Mathematics, Applied Physics
    - ii. Modifiers Examples: Biology: Environmental Biology; Art: Art History; and Physical Education: Kinesiology
  - b. Completion of an undergraduate Subject Matter Program (SMPP) approved by the commission. To search for Commission-Approved Subject Matter Preparation Program, go [here](#).
  - c. Pass the appropriate California Subject Examination for Teachers (CSET) to establish subject matter competency. The cost of the CSET varies by examination. For more information, visit [www.ctcexams.nesinc.com](http://www.ctcexams.nesinc.com).
  - d. Completion of coursework at one or more regionally accredited institutions of higher education that aligns with each domain of the specific subject matter requirements.
  - e. *Note: Students can do a combination of the methods described in sections (c) and (d) in whole or to meet the subject matter requirements.*
3. **Complete a U.S. Constitution course:** You can complete this at Rio Hondo College ahead of time and it also counts as a General Education (GE) course! *POLS 110 - Government of the United States*
4. **Complete a Teacher Preparation Program.** Complete an approved single subject teacher preparation program by the California Commission on Teacher Credentialing (CTC).
5. Obtain a **formal recommendation for the credential** by the program.

[CLICK HERE](#) for more information on Subject Matter Requirements.

---

## Bilingual Authorization

The [Bilingual Authorization](#) allows teachers to support and teach students who do not speak English as their first language. This means you would be able to teach in the following approved languages as long as you obtain the Bilingual Authorization for that specific language: Spanish, Filipino, Vietnamese, Cantonese, Mandarin, Korean, Japanese, Arabic, Armenian, Farsi, French, German, Hebrew, Hmong, Khmer, Punjabi, or Russian.

There are many programs out there and usually you can just add the Bilingual Authorization program/courses to the credential program you are completing if your university offers it in the language you are seeking.
